1 Overview

IITI Connect is an Android app that provides location-based warning system & local chat interface for the students & faculty of the institute. The following steps will show you how to setup the app and enjoy it.

2 Download the App

The App can be downloaded from the Google Play Store or from the local server. You can also get the App from one of our trusted distributors. Before you install, make sure your smartphone has Android

3 Install the Application

Install the app from Play Store or browse to the folder and opening the apk file. The publisher is CordisDie TechCo. The App icon looks like this.

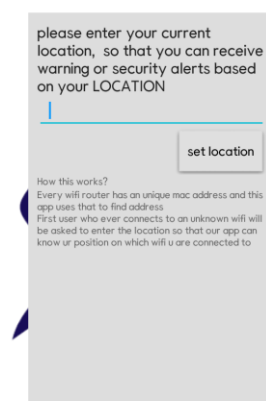

4 Introduction

Before proceeding to the following steps, make sure you are connected to the intranet (IIT Indore local server) in order to connect to the database.

4.1 Loading Screen

When you install the app for the first time in your smartphone, the following Screen. The app will ask for your current location so that alert received would be based on this location.

4.1 Signup Screen

When you run the app, for the first time, you will see this Screen.

You need to enter the given details viz-a-viz.

First name, Last name, Username & Email.

Furthermore, you must accept the Terms & Conditions in order to proceed.

4.2 Login Screen

Login with your ID and password (computer generated & recived on your mail) on your smartphone, after which the chat and warning system can be started.

5 Chat applet

5.1 Sending a message

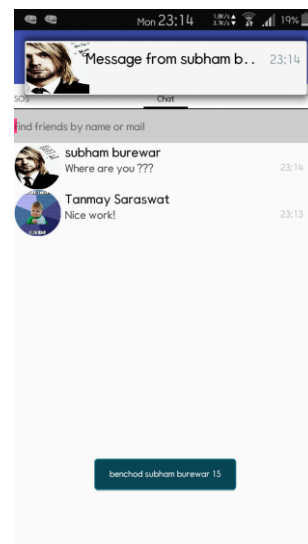

Messages could be send from the chat tab, the right-most tab on the main screen, which shows the list of your recent recipients.

Tap on any recipient name to chat with them. Chat will be in real-time.

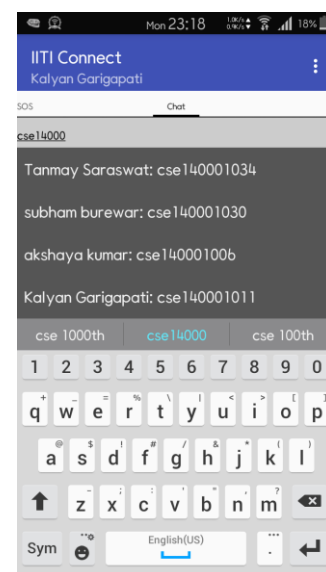

5.2 Reading a received message

A notification will be seen whenever a message is received from a recipient. Tap on this notification to open the Chat screen and read the message.

5.3 Reading an old chat

On the Chat tab, search for any recipient on the search bar and tap on it to read the latest conversation with that person.

6 Warning

6.1 Send a Campus-wide alert

Warnings could be sent as either a campus wide alert or loation based alert. Enter a description with warning to be sent. Then, select the appropriate radio button and press SEND.

6.2 Send a location-based alert

In location-based alert, only people with their location the same as the sender will get the warning.

7 Send an SOS

7.1 Set an manual address

7.2 Send from recognized address

8 Terms and Conditions

1. The current iteration of the app is a beta version which is why a few bugs can be found although they don't hamper the working of the app. Any inconvenience is unintentional.
2. All user-related data will be stored on the server. However this doesn't include any conversations among the users as this data is stored on his/her phone itself. Removal of the app will therefore lead to loss of the forementioned data.
3. The user must be a student or a faculty of IIT Indore, as this application can only be signed in to if the user has a valid email id.
4. Adult content must be identified as such. IITI Connect does not endorse any opinion, recommendation, or advice expressed therein.
5. **Disclaimer** – YOU AGREE THAT YOUR USE OF THE IITI CONNECT SERVICE SHALL BE AT YOUR SOLE RISK. TO THE FULLEST EXTENT PERMITTED BY LAW, IITI CONNECT, ITS DEVELOPERS DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, IN CONNECTION WITH THE SERVICE AND YOUR USE THEREOF. ALSO WE ASSUMES NO LIABILITY OR RESPONSIBILITY FOR ANY (I) ERRORS, MISTAKES, OR INACCURACIES OF CONTENT, (II) PERSONAL INJURY OR PROPERTY DAMAGE, OF ANY NATURE WHATSOEVER, RESULTING FROM YOUR ACCESS TO AND USE OF OUR SERVICE, (III) ANY UNAUTHORIZED ACCESS TO OR USE OF OUR SERVERS AND/OR ANY AND ALL PERSONAL INFORMATION AND/OR FINANCIAL INFORMATION STORED THEREIN, (IV) ANY INTERRUPTION OR CESSATION OF TRANSMISSION TO OR FROM OUR SERVICE, (IV) ANY BUGS, VIRUSES, TROJAN HORSES, OR THE LIKE WHICH MAY BE TRANSMITTED TO OR THROUGH OUR SERVICE THROUGH THE ACTIONS OF ANY THIRD PARTY, AND/OR (V) ANY ERRORS OR OMISSIONS IN ANY CONTENT OR FOR ANY LOSS OR DAMAGE OF ANY KIND INCURRED AS A RESULT OF THE USE OF ANY CONTENT POSTED, EMAILED, TRANSMITTED, OR OTHERWISE MADE AVAILABLE VIA THE IITI CONNECT SERVICE.
